THE PINNACLE CULTURE

Pinnacle possesses a unique culture that separates ourselves from our competitors. We recruit using our proprietary I-PLAN hiring methodology to identify, thoroughly screen, and onboard the best associates for our client's service needs.

OUR MISSION

Pinnacle Healthcare Environmental Services exists to enhance the quality of life for the patients and personnel, visitors and guests, who are impacted by our EVS cleaning and maintenance services.

OUR VISION

To become a company emulated and admired throughout the industry. We will become the dominant player in the healthcare sectors we serve. To passionately deliver on our service promise and empower our dedicated team and adapt to the needs of our customers, regulatory agencies and our associates.

We earn the trust of our customers through our words and actions. We strive to honor our commitments and to act with honesty and integrity at all times.

Our service standards and commitments should always exceed our customers' expectations. We will treat our customers like members of our family.

Our Associates strive to deliver exceptional services by working effectively together as a team. Everyone counts, everyone contributes!

We will perform to the highest standards, and then raise the bar higher with a commitment to continuous improvement to our operations and service delivery.
